Dear Fund Member:

First, I would like to thank you for your recent support in my re-election to the Board of Trustees. At this month's Board meeting I was elected to serve as your Chairman. I feel humbled and honored to be given the opportunity to prove my dedication of service to this pension fund with the ultimate responsibility of leading the Board of Trustees.

That said; you have my promise that nothing has changed as a result of my appointment to Chair. The Fund will continue to operate on a business as usual basis and will seek to further improve areas that may need attention. This Board is fully aware that its primary responsibilities are to serve members, protect benefits and increase the assets of the Fund. As your Chairman, I plan to see that these responsibilities are carried out in the most efficient and prudent manner.

I would like for all members (both active and retired) and beneficiaries to know that my door is always open to anyone who would like to voice a concern or share an idea. It is my goal to be your advocate and to see that your voice is heard by the Board of Trustees. Further, I will ensure that there are regular and transparent communications to you as it is your right to know the decisions that we make that may affect your pension.

I am looking forward to this challenge and know that with your support the Fund will continue to meet your needs and, together, we will build a stronger system.

We are here to serve you!

Respectfully,

Todd E. Clark
Chairman
